**St. Nicholas**  
**Whole School Policy on English as an Additional Language (EAL)**

This EAL policy:-

- reflects the consensus of opinion of the whole staff;
- was discussed, written and agreed by the whole staff;
- has been approved by the Governing body.

The implementation and ownership of this policy is the responsibility of the whole staff.

The overall accountability and effectiveness of the policy will be the responsibility of the Executive Head Teacher and Senior Leadership Team.

At St. Nicholas Catholic Primary School we take a committed, professional and inclusive approach to learning; ensuring all of the children can access the curriculum equally and not letting language become a barrier to learning. As a Catholic school we regard every individual as unique and special in God's family.

In this policy, the term 'English as an Additional Language' (EAL) refers to pupils whose main language at home is a language other than English.

Pupils with EAL will face various difficulties throughout their academic life. Pupils' aptitude for English will vary, but many will face barriers to learning, accessing the curriculum and reaching their full potential. Pupils with EAL must learn in and through another language. In addition, they may come from different cultural backgrounds to their peers and face different expectations of language, education and learning.

Research suggests that those new to English will acquire conversational fluency within two years, but will need five years or longer to achieve competence in academic English. This policy has been established to ensure all pupils with EAL at the school are given the best chance possible to reach their full potential.

We aim to:

- Welcome the cultural, linguistic and educational experiences pupils with EAL contribute to the school.
- Ensure strategies are in place to support pupils with EAL.
- Enable pupils with EAL to become confident, and to acquire the language skills needed to reach their full academic potential.

Our strategic objectives are to:

- Provide a welcoming atmosphere for newly arrived pupils with EAL.
- Assess the skills and needs of pupils with EAL.
- Gather accurate information regarding children's backgrounds, cultures and abilities.
- Equip teachers and support staff with the necessary skills, resources and knowledge to support pupils with EAL.
- Use all available resources to raise the attainment of pupils with EAL.
- Systematically monitor pupils' progress, and adapt policies and procedures accordingly.
- Ensure all children's languages, cultures and identities are represented in classrooms and throughout the school.
- Maximise opportunities to model the fluent use of English.
- Ensure pupils with EAL are acknowledged for their skills in their own languages.

## **1. Teacher responsible for pupils with EAL**

1.1. The teacher responsible for pupils with EAL is **Kirsty Hannon-Dalby**. Their responsibilities include:

- Coordinating the efficient timetabling of pupils with EAL.
- Overseeing the assessment and targeting of children with EAL.
- Ensuring the procurement and appropriate use of resources to support pupils with EAL.
- Aiding staff in effective communication with parents and finding translators where appropriate.
- Exploring various possibilities to ensure important information is shared with parents.

## **2. Inclusion**

2.1. The school utilises a strategy of inclusion, and the positive and effective use of language. The strategy includes the following principles:

- There is an understanding throughout the school, for both staff and pupils, that a limited knowledge of English does not reflect a lack of ability or knowledge. Appreciating a pupil's ability to speak their own first language is essential for building their confidence and self-esteem.
- The language development of pupils is the responsibility of the entire school community.
- Diversity will be valued and classrooms will be socially inclusive.
- Teachers will be knowledgeable about pupils' abilities in English and use their knowledge to inform lesson planning.
- Schemes of work may be rewritten to accommodate low levels of English, whilst maintaining the subject content and level of challenge.
- Where large groups of pupils with EAL speak the same language, the school encourages wider integration to promote inclusion and to improve pupils' understanding of English.

## **3. Initial assessments**

- 3.1. Prior to a child starting at the school as part of the induction process information will be gathered by a member of staff.
- 3.2. No assessment will be carried out for the first two weeks as children will be given a settling in period.
- 3.3. Children will be baselined using the EAL Assessment framework .
- 3.4. Initial assessments are carried out by the class teacher and completed assessments are returned to the EAL co-ordinator and will be kept with the pupils file.
- 3.5. The assessment will inform planning, targets, language support and resources required.
- 3.6. The pupil and the parents of the pupil may view the assessment at any time.

## **4. Classroom practice**

- 4.1. Teachers have high expectations of all pupils, regardless of gender, ethnicity, social background or English ability.
- 4.2. Staff will refer to the Bell Foundation document 'Classroom strategies: working with EAL learners in Primary setting'
- 4.3. Classroom activities will be matched to pupils' needs and abilities.
- 4.4. Teachers will consider common misconceptions and language barriers, such as reading '3 x 3', where 'x' is read as the letter and not a function, and clarify meanings accordingly.
- 4.5. Where possible, the following practices will be utilised to improve pupils' literacy:
  - Provide lots of hands on experience so children can learn the new language through participating in activities that support cognitive development.
  - Teach newly arrived child useful words and phrases (enabling language) and the routines of the classroom in order for them to communicate with their peer group.

- Create a language rich environment.
- Opportunities for collaborative activities.
- Pre and post tutoring of new key vocabulary.
- Visual support provided as much as possible.
- Use of Directed activities relating to text (DARTs) activities.
- Peer support – mixed ability groups to develop skills and model language.

## **6. Working with parents and carers**

6.1. Liaison with parents is vital to the creation of a strong home/school partnership, which can ensure the development of pupils with EAL. To aid this partnership, the school will:

- Actively seek to put parents at ease by providing a welcoming environment conducive to productive discussions.
- Provide interpreters for meetings when needed.
- Ensure the language used in letters to parents is clear and straightforward.
- Where appropriate, have teachers read through the letter with children before sending the letter home, to ensure the message is clear.
- Where necessary, ensure translations of school documents are carried out and provided to parents of pupils with EAL.
- Encourage parents to attend parents' evenings and participate in school functions.
- Encourage parents to become involved with homework through shared reading schemes and language-based homework.

## 7. Special educational needs (SEN)

- 7.1. A child is not regarded to have SEN solely because their home language is different from the language in which they are taught at school.
- 7.2. A proportion of pupils with EAL may have one or more types of SEN and it is imperative that this is identified at an early stage.
- 7.3. Assessments of SEN of pupils with EAL will involve EAL specialists along with SEN specialists.
