

## English:

In Year 1 we would like the children to continue to use capital letters, finger spaces and full stops correctly. We want children to be able to join sentences with and or because.

Over the course of the term we will be looking at a variety of texts to engage the children and encourage writing opportunities. We will start with *Knuffle Bunny*, *5 minutes peace* and *Oi Frog*. Then move on to *Oi Dog*, *My name is* and *Big Book of Machines*. We will create our own stories where we can apply all of our knowledge to longer pieces of writing. We will also be looking at information texts about significant figures.

## Science:

We will be identifying and naming a variety of objects and materials. The Children will also look at what plants need to survive. We will plant our own seeds and observe how they grow. In addition, we will look at seasonal changes in Autumn and Winter.

## Maths:

In Maths this term we will start by focusing on counting forwards, backwards and writing numbers to 20.

At a glance, we will also be covering the following:

Number- addition and subtraction within 20.

Place value- understanding numbers to 50 and counting in multiples of 2, 5 and 10.

Measurement- looking at length and height.

In addition to this, the children will need to aim to continue to write numbers correctly, ensuring they are the right way around and formed correctly.

# Year 1

# Autumn Term

# 2022

## Religious Education:

As always, we will be following the Gospel Virtues for the term and thinking about how we can live these. This term it is Loving and Compassionate.

In RE this term we will begin by learning about the Creation. Then we will look at Families and Celebrations.

As move closer to the end of term we will focus on Prayer.

## PE:

PE this term will be on a Monday and a Tuesday. On a Monday we will have an Aspire coach teaching us ball skills and on a Tuesday the focus will be on Fitness. Please ensure the children have their full PE kit in school every day.

We will be continuing to further develop our computer skills this term and we will be timetabled to use our computer suite once each week as well as having opportunities in class to use our interactive white board and class computer.

## Art/DT

In Art we will be looking at landscapes using different Media.

In DT the children will be studying fruit and vegetables.

## History/Geography:

In History we will be learning about War & Remembrance, focusing in particular on The life of Walter Tull.

In Geography we will be learning about the world. This will start with our immediate environment and looking at the Geography of our own school.
