

English:

In Year 1 we would like the children to continue to; Use capital letters, finger spaces and full stops correctly. Join sentences with and/ or because.

We will be looking at different books and texts to help us with our writing, Here comes Mr Postmouse, There's a lion in my cornflakes, We are going on a bear hunt and much more! We will create our own poems and reports where we can apply all of our knowledge to longer pieces of writing. We will be also looking at informative pieces of text to help us write a fact file.

Science:

We will be looking at Animal groups including Humans. The Children will also find out what food animals need to survive. We will also learn about the structure of plants and trees and what they need to grow well.

Maths

In Maths this term we will be learning to count forwards, backwards and write numbers to 20.

We will also be looking at:

Number- addition and subtraction within 20.

Place value- understanding numbers to 50.

Measurement- length and height, weight and Volume.

In class we will also be asking the children to practice their number formation and number recognition.

Year 1 Spring Term 2022

Homework- All homework will be expected to be handed in on Monday morning - this includes reading books and records. Thank you.

Religious Education:

We begin this term by learning about the healing and teaching done by Jesus. Later on we will think about how we can share in Jesus' life and how we can become disciples of the Lord in our modern world.

As move closer to the end of term we will focus on our Lenten preparations and the events of Holy Week.

Computing

We will be continuing to further develop our computer skills this term. The class will have one timetabled computer suite slot each week and will also have opportunities to use our interactive white board and class computer. We will be focusing on our computer skills such as typing and also our word programming skills.

PE

PE times for Year One will take place on Monday and Friday. The children will be expected to have their full PE kit in school every day as there may be times when we have to change our P.E days. During this term we will be learning about Dance and Target games.

Art/ DT

In DT we will be designing and making a Moving storybook and experimenting with different types of sliding mechanisms.
In Art lessons we will be learning about different artists and their work.

History/Geography

In History we will be comparing toys used in the past to toys used today. We will investigate and discuss the changes that have taken place and why.

In Geography we will be investigating our school grounds. Children will explore their school environment using first-hand observation and experience to enhance their awareness along with essential map skills and fieldwork.
