St. Nicholas
Whole School Policy on Behaviour for Learning

This behaviour policy:-

- reflects the consensus of opinion of the whole staff;
- was discussed, written and agreed by the whole staff;
- has been approved by the Governing body.

The implementation and ownership of this policy is the responsibility of the whole staff.

The overall accountability and effectiveness of the policy will be the responsibility of the Behaviour Co-ordinator and Senior Leadership Team.

At St. Nicholas Catholic Primary School we have very high expectations of behaviour. We believe that good behaviour and the correct attitude to learning creates a successful environment providing a strong foundation for learning for both staff and pupils. As a Catholic school we regard every individual as unique and special in God's family. This behaviour policy is designed to support every member of our school, taking into account their unique and special nature as part of God's family, allowing every individual to succeed and thrive.

St. Nicholas Catholic Primary School believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life.

Our Mission Statement

At St. Nicholas School we are called together to

love, live, learn

with Jesus Christ.

Love God, ourselves and each other.

Live life in response to God's call.

Learn to achieve our best in everything we do.

At St. Nicholas, we have a duty of care set in the context of Gospel Values, as we believe all children are unique and loved by God. In keeping with our school mission statement, we aim to educate children to become loving, caring and spiritual adults who will take Jesus Christ as their example.

Our Behaviour Policy assumes that:

- children have the right to learn and teachers must be enabled to teach them
- no child has the right to affect the learning of others
- success should always bring plentiful praise, recognition and positive reinforcement
- all pupils and staff will behave appropriately

In developing this policy, the Academy Committee have taken account of the Education and Inspections Act 2006, Chapter 40, Part 7 – Discipline, Behaviour and Exclusion.

1.1 – Aims of our Behaviour Policy

At St. Nicholas we aim to live the Gospel Values that Jesus taught us, based on this simple principle:

“Love one another as I have loved you.”

Unfortunately, there will be times when this isn't the case so we aim to:

- Treat others as we wish to be treated ourselves
- Have a clear understanding of what bullying is
- Prevent any incidents of bullying
- Educate staff, pupils and parents in ways to prevent being the victim of bullying behaviour
- Use the 'Protective Behaviours' programme as a tool to spot the early signs of bullying
- Have a clear system for reporting and recording any incidents of bullying behaviour
- Have a clear system to deal with any incidences of bullying behaviour for both victim and perpetrator

We are committed to:

- Promoting desired behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.
- Challenging and disciplining bad behaviour.
- Provide a safe environment, free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents/carers/guardians.
- Developing relationships with our pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

2.1 – Key roles and responsibilities

Teachers must take a clear leadership role in the classroom:

- be assertive
- always give and expect to receive respect
- have high expectations
- have a clear and consistent approach to classroom organisation
- be positive (telling pupils what to do rather than what not to do)

All School Staff and adults in school should:

- apply school rules consistently and fairly
- always praise positive achievements and behaviour
- always impose consequences automatically
- once earned never remove rewards and equally a consequence once earned is not removed
- aim to praise a pupil before giving a warning to another child

Teaching Staff will endeavour to:

- make sparing and consistent use of reprimands - This means being firm rather than aggressive, target the right child, criticise the behaviour not the child, use private rather than public reprimand whenever possible, avoid sarcasm and idle threat and always be fair and consistent.
- make sparing but consistent use of consequences - This means avoiding whole group punishments that children see as unfair. Avoid punishments that humiliate, for example making children look ridiculous.

Pupils will be expected to follow the Home School Agreement which requires pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Arrive to lessons on time and fully prepared.
- Follow reasonable instructions given by the teacher.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Hand in homework at the time requested.
- Report unacceptable behaviour.
- Show respect for the school environment.

2.2 – Rule for St. Nicholas Catholic Primary School

Jesus said, *“Love one another as I have loved you.”* We can do this by:-

- treating others as we wish to be treated
- always doing as we are asked by adults in school
- always showing respect to everyone and everything
- trying our best in everything we do

If we follow these rules **OUR** school will be a happy place to work and play in.

EVERY DAY IS A FRESH START

2.3 – Home School Agreement

- All parents/carers/guardians, pupils and teachers are required to read, agree and sign the Home School Agreement when they first join St. Nicholas Catholic Primary School.
- The Home School Agreement outlines the school's expectations for all stakeholders and includes behavioural expectations.
- The Home School Agreement will be given to all families at the start of each academic year to refresh memories of our expectations.

2.4 – Definitions

St. Nicholas Catholic Primary School defines “serious unacceptable behaviour” as: any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour, including, but not limited to:

- Discrimination – not giving equal respect to an individual on the basis of disability, gender, race, religion, age, sexuality and/or marital status.
- Harassment – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals.
- Vexatious behaviour – deliberately acting in a manner so as to cause annoyance or irritation.
- Bullying – a type of harassment which involves criticism, personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual.
- Cyberbullying – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature.
- Peer on Peer Abuse – including online abuse/cyber-bullying and Harmful Sexual Behaviour.
- Possession of legal or illegal drugs, alcohol or tobacco.
- Arriving at school under the influence of drugs or alcohol.
- Possession of banned items.
- Truancy.
- Smoking.
- Refusing to comply with disciplinary sanctions.
- Theft.
- Swearing.
- Fighting.
- Any other illegal behaviour.

St. Nicholas Catholic Primary School defines “low level unacceptable behaviour” as: behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to:

- Lateness
- Low level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Lack of correct equipment
- Refusing to complete homework, incomplete homework, or arriving at school without homework
- Disruption on public transport
- Use of mobile phones without permission
- Graffiti

“Unacceptable behaviour” may be escalated as “serious unacceptable behaviour” depending on the behaviour breach.

3.1 – Promoting Positive Behaviour

At St. Nicholas we reward good work and good behaviour. It is important that rewards given to children reflect the achievement that they have gained. Whole class effort should be rewarded with whole class rewards, whereas individual effort should be rewarded with individual awards.

“If a child lives with praise..... they learn to be appreciative.”

3.2 – Rewards

Individual Rewards

For effort, good work and good behaviour children receive individual merit marks, which should be displayed in the classroom where all children can see them.

A good piece of work, real effort and good behaviour should receive 1 merit mark.

When giving Merit Marks, children should be rewarded for their achievements (progress and performance in relation to their ability).

An exceptional or outstanding item should receive 2 merit marks.

Individual Rewards (during lunchtime)

During lunchtime the lunchtime supervisors can reward children with:

- Raffle tickets for the Friday draw.
- Stickers for “good eating” in the dining room.
- Informing the class teacher of good behaviour.

Affirmation Postcards

Children are chosen at the start of every half term to receive a postcard from a member of staff (including TA's), praising them for excellent behaviour, achievement, progress or attitudes in the previous half term.

Spontaneous Rewards

As 10 merit marks can take time to accrue it is essential that we recognise that instant praise is important to motivate children. Instant rewards are a good way to achieve this. These can be awarded on the spot for children who show an aspect of behaviour which embellishes the school rules, e.g. a unilateral act of kindness, courtesy, honesty or simply a good day's work. Suggested rewards are:

- Well-done stickers.
- Raffle ticket.
- Star of the day.
- Name recorded on happy side of the board.
- Class cuddly toy to take home.
- Visit to another class to share work.
- Visit to the Executive Principal/Head of School/Vice Principal to share work.
- Approaching the parent/carer at 3:30pm to inform them.
- Lots of praise.
- There are many other individual rewards class teachers may use.

NB: Sweets are not given as rewards.

Class Rewards

When the whole class perform well, it is more convenient and indeed more appropriate for the whole class to receive a reward. This is encouraged at St. Nicholas and varies from year to year.

EVERY DAY IS A FRESH START

3.3 – Managing Unacceptable Behaviour

Unacceptable behaviour will not be tolerated at St. Nicholas Catholic Primary School. Breaking any of the rules laid out in the Home School Agreement will lead to sanctions and disciplinary action.

3.4 - Sanctions

1. The Look. Very often a stern stare is all that is required to modify inappropriate behaviour.
2. If behaviour persists, a verbal warning should be given where the appropriate behaviour is demanded.
3. If behaviour persists, the child's name is recorded and at a convenient time they explain their behaviour to the teacher.
4. If behaviour persists, a child's name is recorded a second time. It may be appropriate to send the child to another class for 15 minutes to reflect on their behaviour at this point. The child should not be given work to do. The time is to be served as time out and reflection time. At this point the child's name should be placed in the behaviour log (CPOMS) and an informal approach made to the parents to inform them of this.
5. If behaviour persists, inform the Head Teacher who will arrange for a formal meeting with parents to discuss the issue. At this point a Behaviour Correction Plan may be put in place for the child, including a Behaviour Record which monitors the child's behaviour at relevant times during the day. e.g. in the classroom or on the playground, if this is where the inappropriate behaviour occurs.
6. If it is deemed appropriate outside agencies such as Behaviour Support Services (BSS) will be consulted or the parents may be referred to the school nurse. In some cases, a representative from BSS may attend the meeting with the parents and Head Teacher.
7. If the inappropriate behaviour persists, despite the Behaviour Correction plan, the child will have an Individual Behaviour Programme (IBP) put into place in consultation with BSS, the Behaviour Coordinator and the class teacher. The parents will also be informed about the IBP and the targets their child has. This will be monitored and reviewed regularly until the child has consistently met their behaviour targets.
8. For instances of low incidence/high impact behaviour, revert to step 5 immediately. e.g. fighting, discrimination, swearing, stealing, deliberate damage to school/personal property

Exclusion

Although we will always strive to resolve behaviour problems using the strategies detailed above, the school reserves the right to issue exclusions. These may take the form of:

- a) **Suspension (Temporary, fixed term exclusion).** This could be for a lunchtime (classed as half a day), half a day or full days, depending on the circumstances. A pupil may be suspended for one or more fixed periods (up to a maximum of 45 school days in a single academic year). Fixed-period suspension does not have to be for a continuous period.
- b) **Permanent exclusion** – for serious and/or persistent breaches of the behaviour policy.

If suspension is deemed necessary, parents will be notified in writing stating the reasons, when the suspension is to take place and the duration. Parents are also notified of any right to appeal.

For all suspensions of 5 days or less, parents are required to keep the child off school and ensure that they complete work set for them by the school.

For suspensions longer than 5 days, the child will be accommodated at one of the schools in the St John Paul II Multi Academy from the start of the 6th day.

Possible reasons for suspension or exclusion are:

- physical assault against another pupil or an adult, which includes fighting, violent behaviour, wounding, obstruction and/or jostling.
- verbal abuse and/or threatening behaviour against another pupil or an adult, which includes threatened violence, aggressive behaviour, swearing, homophobic abuse and harassment, verbal intimidation, or carrying an offensive weapon.
- bullying, which can be verbal or physical, and this category includes homophobic and racist bullying.
- racist abuse, which includes racist taunting and harassment, derogatory racist statements, racist bullying and racist graffiti.
- sexual misconduct, which includes sexual abuse, assault and/or harassment, lewd behaviour, sexual bullying, sexually inappropriate language, sexual graffiti and anything considered a Harmful Sexual Behaviour.
- drug and alcohol-related behaviour, which includes possession of illegal drugs, inappropriate use of prescribed drugs, drug dealing, smoking, alcohol and/or other substance abuse.
- damage, which includes damage to school or personal property belonging to any member of the school community e.g. vandalism, arson, graffiti.
- theft, which includes stealing school property, stealing personal property from a fellow pupil or an adult, stealing from local shops on a school outing.
- persistent disruptive behaviour, which includes challenging behaviour, disobedience and/or persistent violation of school rules.

Screening and Searching

At St. Nicholas, children are not routinely screened, however if staff believe that a child has about their persons an item which could cause harm to either themselves or others, they reserve the right (with permission of the most senior member of staff on duty) to search that child. If a child is to be searched, there must always be two members of staff present.

Reasonable Force

Schools do not require parental consent to use force on a child however, in exceptional circumstances, reasonable force can be used to prevent pupils from hurting themselves or others or from damaging property. Force should always be proportionate and used for no longer than necessary. Staff are trained to use 'Positive Handling' techniques to ensure the safety of all parties.

If force has been used, the incident must be reported immediately to the most senior member of staff on duty and an incident log completed. Parents must also be informed.

When using reasonable force, staff at St. Nicholas are aware of the needs of children with Special Educational Needs and will make reasonable adjustments for them as necessary.

Power to Discipline beyond the school gate

The Principal has the right to intervene and discipline pupils for more serious inappropriate behaviour beyond the school gate. The Principal also has the right to inform the police if the behaviour is criminal or poses a serious threat to another person. If there were concerns about the mistreatment, neglect or abuse of a child, the school will follow the Safeguarding and Child Protection Policy.

Pastoral Care for School Staff

The school will not automatically suspend a member of staff who has been accused of misconduct, pending an investigation. The Academy Committee should instruct the Principal to draw on the advice in the "Dealing with Allegations of Abuse against Teachers and Other Staff" guidance when setting out the pastoral support school staff can expect to receive if they are accused of misusing their powers.

Allegations that are found to be malicious will be removed from personnel records; and any that are unsubstantiated, are unfounded or malicious will not be referred to in employer references.

Pupils that are found to have made malicious allegations are likely to have breached school behaviour policies. The School will consider whether to apply an appropriate sanction, which could include temporary or permanent exclusion (as well as referral to the police if there are grounds for believing a criminal offence may have been committed).

St. Nicholas Catholic Primary School will be a happy, safe place for all if we live our lives as Jesus wants us to:

“Love one another as I have loved you.”
