## INTRODUCTION

Thank you for booking facilities with Blackwell Adventure.

Recently we have been working hard on developing the centre, creating new activities and refurbishing our buildings. We hold a Licence from the Adventurous Activity Licensing Service (AALS) a Government agency, part of the Health and Safety Executive, that oversees the operation of outdoor activity centres and we are a British Canoe Union Approved Centre, we can demonstrate that all of our activities operate to the industry standard.

The information contained in this booklet provides guidance and support to group leaders. The aim of the guide is to ensure all groups have a safe and enjoyable experience at Blackwell Court and Pikes Pool.

Within this booklet you should find all the information you require for arrivals and departures, our site regulations and guidelines and information sheets giving details of local shops etc. We have also included maps of both sites and directions to our centres, Doctor and Local Hospital.

Please ensure you read this guide before your visit.

All the staff at Blackwell Court and Pikes Pool hope that you have an enjoyable time during your visit.

## **Blackwell Adventure ON ARRIVAL**

All sites and accommodation are pre-allocated; your confirmation letter will inform you of your exact site location.

On arrival please report to the 'Main Office' or 'Camp Chalet' to advise us that you are here. You are welcome to start setting up as soon as you have been checked in and have been shown to your pitch or accommodation.

### **Arrival Times below or as stated on letter**

- Monday - Wednesday bookings: arrivals 10am with departure before 1pm.
- Wednesday - Friday bookings: arrivals 2pm with departure before 4pm
- For weekends bookings: arrivals are from 5pm Friday with departure before 4pm Sunday (or Monday for term time Bank Holidays)
- For groups staying during 'School Holidays' and all other times arrivals are from 2pm and departure before 12noon.

We can be flexible on some occasions, dependant on bookings. If these times do not fit your intended program please contact the main office prior to arrival.

Groups wishing to 'Pre Pitch' earlier in the week, for a weekend camp, should contact the office to see if this is possible and arrange a suitable time.

(Please Note - For guests using the indoor accommodation, arrival and departure times are the same. We may require bedrooms to be vacated earlier on the day of departure; we will of course inform you in advance if this is necessary.)

### **Vehicles Arriving on Site**

*Please note that there is a low bridge at the bottom of Station Road with a height restriction of 12' 3". Please avoid using vehicles that will not pass under the bridge. There are alternative routes to the site; however, the roads are very narrow and not suitable for larger vehicles.*

Please help us by following and complying with signs displayed at entrances and car parks.

**It is very important that gates and roadways are kept clear at all times for emergency vehicle access.**

## **Parking**

We have three car parks at Blackwell Court please ensure you park in the correct location for your camp/accommodation.

### **Station Field Car Park** - entrance opposite Blackwell Golf Club

- All coaches (coaches will not fit through any other entrance)
- All parking for Leaders and Staff with groups in Backpiece, Upper Paddock, Lower Paddock and Roundhill Meadow.
- All day visitors.

### **Manor House Car Park** - located off the Manor House drive

- Leaders and staff with groups in the Manor House, Stable Block and Group Room. This Car Park should not be used by Campers as space is very limited.
- Unloading only for groups camping in Lower Paddock, Upper Paddock and Round Hill Meadow if required.

### **The Park Car Park** - On the junction of Agmore Road and Alvechurch Road

- Leaders and Staff Camping In the Park.

## **Drop Off and Collections**

**Summer** - (May to September) if members of your party are arriving independently, either in convoy or under their 'own steam', please ensure they use the Station Field Car Park. This is our main car park and has the capacity to deal with all our arrivals at peak times. Please do not direct them to other car parks, as the roads are very narrow further around the site.

**Winter** - During the winter months, wet conditions or quieter times we may only have the House car park open. If this happens and Station Field gates are locked please continue down Agmore Road to the main entrance and use the House car park.

## **Access to Fields**

We do not allow vehicles to be driven on our fields; this decision has been made to ensure the safety of all our customers. However if dry, we will allow vehicles carrying group equipment to drive onto fields for unloading/loading. Please ensure that all vehicles are returned to a car park as soon as possible.

In wet weather we may be able to assist moving equipment, please ask a member of staff.

# SITE INFORMATION

## Location

Blackwell Court and Pikes Pool can be found on Landranger sheet 139.

Blackwell Court grid reference      **994716.**

Pikes Pool grid reference              **984711**

## Where to find help

The main office next to the Manor House is staffed during office hours Monday to Friday, 9am - 5pm and deals with general enquiries, bookings (including activity bookings) and payments. The Chalet located at the 'Camp Centre' is manned by our team who can help if you have general enquires, all our activity equipment is also issued from here.

We also operate an emergency out of hours phone during the night. Should you be unfortunate to have an emergency outside of office hours please call the Duty Warden on: **Tel - 07958 627 809.**

## Safety

Group leaders are responsible for the safety of their group throughout their stay at Blackwell Court and Pikes Pool. We recommend that, if you have not used the site before, you complete a pre-camp site visit and carry out the appropriate risk assessments.

## Security

We like our guests to feel safe on the campsite and surrounding areas. Security is an ongoing issue that we all need to recognise and would like to suggest the following points for your own safety.

- Do not leave valuables unattended in tents (Keep all mobile phones and wallets with you at all times)
- Ensure you can be seen by other groups on site
- Ensure you inform the other groups around you and the site staff if you are leaving your pitch unattended.
- Choose your pitch wisely keep a distance from hedges and footpaths.

## **Trolleys**

We have a supply of trolleys available near the Camp Chalet. Please return trolleys as soon as you have finished moving your equipment etc. as we have a limited supply and not enough for each group to have their own.

**Would leaders please remind their group that the trolleys should not be treated as go-karts.**

## **Dogs**

For your safety we do not allow dogs on site. In exceptional circumstances permission may be given e.g. guide dogs; however dogs should always be kept on a lead.

## **Fires**

At Blackwell Court we have a supply of altar fires; these are available near the Camp Chalet. Customers may wish to bring their own, as our supply is limited. Ground fires are not permitted except in the campfire circle. We have a supply of wood available to all our customers; leaders are responsible for supervision when collecting and preparing wood. Groups will be charged a nominal amount for use of wood during their stay. Please bring a bow saw as wood will need to be cut to size.

At Pikes Pool ground fires are permitted on the open fields (not the terraces) please ensure turf is lifted and replaced after use. Please note that turf should be watered during your camp and on replacement.

**In case of an emergency, please ensure there is a minimum of one bucket of water positioned next to each fire.**

The felling of standing timber is strictly prohibited. All groups must provide fire buckets adjacent to open fires.

## **Chainsaws**

On no account should chainsaws be used, without prior permission.

## **Lights Out**

Please be considerate, we would request that noise is kept to minimum after 10pm and we expect quiet from 11pm. We expect all guests to be on their site by 10.30pm.

## **Ice Packs, Fridge and Freezer**

We have a fridge and freezer located in the 'Camp Centre' available for use by groups. Please remember that space is limited; please contact a member of staff during office hours.

### **Mobile Phones**

We are happy for group leaders to charge mobile phones in either the Camp Chalet or main office please see a member of staff.

### **Fireworks**

Groups wishing to set off fireworks during their stay should seek permission from the Campsite and Facilities Manager prior to arrival.

### **Amplified Speech and Music**

In order to maintain good relationships with our neighbours please inform us prior to arrival if you intend to have any amplified music or amplified speech during your stay. We would also appreciate knowing of any activities you envisage may disrupt other guests or our neighbours.

### **Using Pikes Pool or Blackwell Court**

If you are staying at Blackwell Court you are welcome to use the facilities at Pikes Pool for a nominal cost. Likewise Pikes Pool guests may use Blackwell Court for a small fee.

Please take care when walking between the centres as the roads are narrow and can be busy. We recommend “spotters” at the front and rear of the party in high visibility clothing. Directions and site maps can be found on pages 21 to 25.

### **Beaver Lodge**

The Beaver Lodge situated on site 24 in Upper Paddock has been refurbished with the intention that Beaver Scout Colonies visiting for the day have access to a solid shelter. Other day visitors are welcome to use this facility but please be prepared to let Beavers have priority.

### **Onsite Shop**

The Shop sells souvenirs, sweets, drinks, clothing and ice creams. Opening times are displayed in the shop window or the Chalet window. Vending Machines sell sweets and drinks, available at all times.

# ACTIVITIES

We operate a number of activities many of which have specific instructions to ensure safety is maintained throughout the activity session. Please co-operate with procedures that are in place to ensure the safety of all our customers.

## **Risk Assessment**

The site has carried out risk assessments on all our activities. Please view on our web site the faq list and risk assessment letter for more info.

## **Instructor-Led Activities**

Blackwell Adventure supply experienced highly trained staff to run some of our activity sessions. During sessions we require a responsible adult to remain with the group to maintain discipline etc. The instructor will brief the group leader on what is required.

If you can provide qualified instructors and insurance we may be able to hire you these facilities. Please contact the office for more details.

## **Self-Led Activities**

Those providing adult supervision (safety cover) for self led activities must be familiar with the safety implications involved. To assist in this you will be required to read and sign our 'Conditions of Use Form' for the relevant activity. They must have the ability to take effective emergency action. These individuals must not be participating at the same time as the users, unless to demonstrate how the equipment works.

The primary tasks are to oversee the activity and in particular to ensure the safe operation of the activity. The responsible person should report any accidents, damages/breakages to a member of the Blackwell staff. Do not use the equipment if you feel it is unsafe or are in any doubt on how to use it safely.

## **Ratio's**

We recommend a ratio of 1 adult to 8 young people.

## **Trails**

We have a number of trails and walk leaflets available. Please ask a member of staff for further information.

## RISK ASSESSMENTS

The centre has carried out risk assessments on all its activities and as a result we have produced an activity operations manual. All of our activities run to the guidelines in this document. The outcomes of our risk assessments are also included in the 'conditions of use form' that you will be asked to sign before you take equipment for 'self led sessions'.

While Blackwell Adventure has risk assessed its activities it is the responsibility of the Group Leader to risk assess those issues for which you are responsible such as: the campsite or accommodation being used by your group. We would like to suggest some points for you to consider:-

- Identify to your group 'out of bounds' areas such as activity bases
- Discourage your group from running through wooded areas
- Discourage your group from playing games around tents to prevent people falling over guy lines and pegs
- Encourage everyone to remove sharp objects from their pockets before playing games
- Ensure clear 'wood chopping' areas are marked if using open fires
- Ensure fire buckets are placed next to open fires
- Ensure open fires are located away from trees and tents
- Ensure your group are aware of hazards on your site such as tree stumps, mole hills or rabbit holes

## EMERGENCY ACTION

The emergency services can take up to 15 to 20 minutes to arrive on site. Please ensure that you take all reasonable precautions to avoid emergencies.

### Fire Action

In any fire it is important to save life and prevent injury. The local Fire Brigade knows the site reasonably well and can be on scene relatively quickly, do not attempt to put out a fire if you or anyone else is at risk. Fire buckets are positioned around the site. It is the responsibility of the group to ensure that all open fires are provided with their own fire bucket. Immediate fire action is to evacuate people as necessary, a minimum of 50 metres away. If possible tackle the fire if you have the equipment and are not putting yourself or others at risk.

*If you need to call the Fire Brigade please do not wait until you find a member of staff. However you should advise the site staff as soon as possible so we can assist in directing the fire crew to your group. If you are unable to find a member of staff please ring the Out of Hours Emergency Phone number (see below)*

### First Aid

Groups are responsible for providing their own first aid requirements. Many of our staff hold first aid qualifications and are able to help with serious incidents. First aid equipment is located near to all activity bases and in offices. Accidents should be recorded in the accident book if an ambulance is called or medical treatment is given.

*If you need to call an ambulance please do not wait until you find a member of staff. However you should advise the site staff as soon as possible so we can assist directing the ambulance crew to your group. If you are unable to find a member of staff please ring the Out of Hours Emergency Phone number (see below).*

All accidents should be recorded in the site accident book, or near miss file, located in the Main Office.

## Blackwell Adventure Fire Safety for Camping Groups

### Introduction

Blackwell Adventure has a duty of care to its campers to inform them of the risks of fire and explosions whilst they are camping in tents here at Blackwell Court.

This document is designed to highlight the risks and to prevent injury, loss of life, and loss of valuable equipment in or on our camping areas.

### Definitions

- a. Site - This is the area which you are camping on, (i.e. Pitch 24).
- b. Responsible Person - The person in charge of the group, this person should hold the relevant qualification to allow them to bring young people camping.
- c. Spacing - The distance between tents measured between the nearest canvases.
- d. Fire Breaks - This is an area that is left between different camping pitches to prevent fire spreading and allowing access for emergency services.

### Fire Precaution Guidelines

Injuries in connection with fires on camping pitches are mostly caused by fire in one's own tent.

It is therefore first and foremost the responsibility of the individual who can minimise and influence the risk of a fire occurring, the risk will be reduced if the following precautions are taken into account.

1. There should be no use of open fires or indoor barbecues inside tents or close to any canvas.
2. Portable camping cookers i.e. stoves with any type of gas cartridge must not be changed inside tents or close to naked lights.
3. Portable stoves which used liquid fuel must not be used inside tents.
4. All propane or calor gas bottles should be kept externally outside camp kitchen tents.
5. No gas bottles or liquid fuels should be changed near to any type of naked lights or stoves already alight.
6. Any type of cooking appliance should be placed a suitable distance away from any canvas.
7. Any type of gas pipe should be checked regularly for leaks and regulators are working correctly.
8. Each group should bring with them suitable fire fighting equipment and make sure a responsible person is aware of when and how to use them.
9. The areas around the tents should be clear of any combustible materials.
10. All gas bottles should be turned off at night by the valve on top of the actual bottle.
11. Smoking “Is Not” allowed in any tent.
12. Do not store Hot Barbecues inside tents; please ensure they have cooled down and cold before storing them inside tents.

### Notes to all Campers

Each group leader has a duty of care to their group, we strongly advise each Group Leader to review their Fire Risk Assessment and bring with them suitable fire fighting equipment, fire extinguishers and fire blankets as appropriate.

# SAFE GUARDING POLICY

In the interests of the young people using our facilities, all visiting groups should follow our Safe Guarding Policy:

It is our policy to safeguard the welfare of all young people by protecting them from physical, sexual and emotional harm.

Accordingly Blackwell Adventure is committed to:

- Taking into account in all its considerations and activities the interests and well-being of young people;
- Respecting the rights, wishes and feelings of the young people with whom it is working;
- Taking all reasonable practicable steps to protect them from physical, sexual and emotional abuse;
- Promoting the welfare of young people and their protection within a relationship of trust.

## Young People First

*It is our policy to safeguard the welfare of all young people by protecting them from physical, sexual and emotional harm.*

## **Code of behaviour**

**Do** put the “Young People First” guidance into practice

**Do** treat everyone with respect

**Do** provide an example you wish others to follow

**Do** plan activities, which involve more than one person being present, or at least are within sight or hearing of others

**Do** respect a young person’s right to personal privacy

**Do** have separate sleeping accommodation for leaders and young people

**Do** provide access for young people to talk about any concerns they may have

**Do** encourage young people and adults to feel comfortable and caring enough to point out attitudes or behaviour they do not like

**Do** avoid situations that compromise your relationship with young people and are unacceptable within a relationship of trust (e.g. a sexual relationship between a leader and a youth member over the age of consent)

**Do** remember that someone else might misinterpret your actions, no matter how well intentioned

**Do** recognise that caution is required even in sensitive moments of counselling, such as when dealing with bullying, bereavement or abuse

**Do NOT** permit abusive peer activities (e.g. initiation ceremonies, ridiculing, bullying)

**Do NOT** play physical contact games with young people

**Do NOT** have any inappropriate physical or verbal contact with others

**Do NOT** jump to conclusions about others without checking facts

**Do NOT** allow yourself to be drawn into inappropriate attention seeking behaviour such as tantrums or crushes

**Do NOT** show favouritism to any individual

**Do NOT** make suggestive remarks or gestures, even in fun

**Do NOT** let suspicion, disclosure or allegation of abuse, go unrecorded or unreported

**Do NOT** rely on just your good name to protect you

**Do NOT** believe “it could never happen to me”

## **SERVICES**

### **Rubbish**

When you arrive you will be issued with a welcome pack which will include instructions for rubbish and recycling.

### **Telephone**

A pay phone is located adjacent to the Coach House next to the Manor House.

In an emergency there are phones in the Camp Chalet and Main Office.

### **Supplies**

There are several supermarkets in the area that will deliver to site.

**Please ensure that you tell your supplier your group's name, your pitch number and where to find you.**

Please refer to the enclosed information sheets for full details on local suppliers.

### **Toilets**

We do not ask groups to clean the toilets however we would ask that you ensure your group treat the toilet facilities with respect.

If you experience problems with the toilet facilities please let a member of staff know. The toilets are cleaned several times throughout the day.

### **Wood Piles**

Please ensure that young people are supervised when collecting and preparing firewood.

The felling of standing timber is strictly prohibited.

# DEPARTURE

## **Paying Your Bill**

Please pay your bill on the day of departure or day before departure if more convenient. We prefer to take group cheques rather than personal cheques. We are also able to take debit card payments.

Some groups may wish to be invoiced, please ensure you arrange this at the end of your camp, the amount will be agreed with you and you will be able to take the invoice away with you. We request that payments are made within 28 days.

## **Striking Camp**

Please ensure your site or accommodation is left in a clean and tidy condition, unused wood should be returned to the woodpile, all rubbish taken to the main bins and a litter sweep completed. We may not have staff to inspect every group on departure, please contact the office if you would particularly like to be inspected.

We reserve the right to make an additional charge if our staff need to tidy your site/accommodation after you have left.

## Customer Service

*Our mission is to provide you with the highest quality residential and outdoor adventurous activities in a safe and professional environment.*

*We aim to exceed your expectations and to ensure you receive an unforgettable experience.*

*To achieve this it is important we listen and learn from our customers.*

*Feedback forms will be sent to you directly, helping us continue to improve our high standards.*

If you have a specific comment then please note this on the back of the feedback form or contact the Customer Service Manager directly on 0121 445 1285 or [h.roberts@blackwelladventure.co.uk](mailto:h.roberts@blackwelladventure.co.uk)

Thank you for using Blackwell Adventure and enjoy your stay!
