Dear Parents & Carers

Friday 23rd January 2026

Reflection - Our Father - A Prayer to Share at Home

During Key Stage liturgies this week, pupils will be exploring the Lord's prayer.

The *Our Father* is the prayer Jesus taught us. It reminds us that God is our loving Father and teaches us to trust Him, forgive others and live with kindness.

You might like to explore this at home by:

- **Praying the *Our Father* together**
- **Talking about forgiveness and saying sorry**
- **Noticing acts of kindness in everyday life**

Parent Zone - Internet Safety Resources

Safer Internet Day takes place on 10th February and we will be marking this in school through age-appropriate learning and discussion about staying safe online.

In addition, all pupils will take part in internet safety workshops on 23rd February, kindly funded by our PFA. These workshops will support children to understand how to use the internet safely, responsibly and respectfully.

The workshop providers have shared the following link for parents and carers:

Please use these resources to help support conversations at home about online safety and responsible internet use.

PFA General Meeting

All parents and carers are warmly invited to our next **PFA General Meeting on Saturday 7th March at 4.00pm in the school hall.**

This is a great opportunity to hear about recent PFA activities, plans for upcoming events (including the Summer Fair), and to share ideas as we begin thinking ahead to 2026-2027. Whether you're a regular attendee or completely new to the PFA, we would love you to join us.

The PFA plays an important role in building our school community and supporting opportunities for our children: every voice and idea really does make a difference.

We hope to see you there.

Supporting and Stretching Our Pupils

From time to time, the assessments and observations gathered by staff show that some pupils would benefit from a little extra support or, equally, an additional challenge in their learning. This may take the form of small-group boosters or targeted interventions, sometimes taking place in the afternoon. A small number of programmes, such as *Lexia* and *Touch Typing*, run before school at 8.45am.

Please reassure your children that attending these groups is a positive step and is designed to help and support them.

We know that some pupils worry about being seen as "different", but we do not label children. Our approach to support and challenge is flexible, targeted and responsive, changing as pupils' needs change. Thank you for your support.

World Book Day - Thursday 12th March 2026

THE BOOK IN A BOX COMPETITION IS BACK!

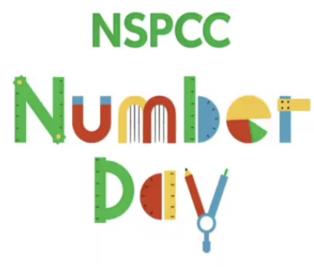

To celebrate World Book Day, pupils are invited to make their favourite book into a box! We have had some incredible entries over the past few years and can't wait to see what the pupils create this year! It's really simple to take part! All you need is a cereal or shoe box to get started and the aim is to design the inside of your box in the most creative way possible to display your favourite book!

Your entries need to be submitted by **Thursday 12th March**. The Reading Ambassadors will decide on a winner and two runners up! These lucky children will receive a reading related prize.

The Scholastic Book Fair will be outside the front of school each evening from Monday 9th-Friday 13th March 2026, where pupils can spend their £1 book tokens.

NB - we are celebrating the week after World Book Day to ensure that our Y5 pupils can take part after they have been to Alton Castle.

NSPCC Number Day 2026

On Friday 6th February 2026, we will be celebrating NSPCC Number Day. Children will enjoy fun activities focused on maths and numbers, while supporting a very important cause. We are inviting children to bring in loose change and coins to help decorate a large "26", raising money for the vital work undertaken by the NSPCC. Children should wear their normal school uniform or PE kit on this day.

To find out more information, please visit: [NSPCC website](https://www.nspcc.org.uk/our-work/number-day/)
